## EDUCATION

## WORK EXPERIENCE

### Art Director | Freelance

Oct 2022 - Present

- Led a product styling project for a premium intimate-wellness brand, overseeing research, concept development, prop hunting, and styling for the entire photoshoot.
- Directed meta ad creatives, ensuring compelling and visually appealing content to drive brand visibility and engagement.
- Spearheaded the design of the brand's premium website, showcasing a strong focus on aesthetics and UX.
- Conceptualized and executed captivating content for the successful launch of the brand's new social media account and CRM

### Art Director | TEAM Enterprises, Miami

Feb 2022 - Oct 2022

- Collaborated with senior creatives on 6 brand experience campaigns and events for alcohol and beverage clients and developed visuals for event(s) look-and-feel
- Planned and executed social media accounts from the ground up including establishing brand voice, building visual assets, and planning social media posts for effective roll out and increased engagement
- Developed layouts and gave presentations, discussing ideas or current projects with cross-functional departments to ensure quality production

### Freelance Associate Art Director | VMLY&R, New York

Jan 2022 - Feb 2022

- Conceptualized and designed targeted email marketing campaigns and OLV for user-focused web content
- Collaborated with a 9-person creative and strategy team on conceptualization and visual development for a large-scale event center in London for British Petroleum

### Art Director Intern | Cutwater, San Francisco

July 2020 - Sept 2020

- Built social media posts with an 8-person creative team, conceptualizing marketing campaigns
- Presented proposals to senior art directors and creative directors, focusing on seasonal campaigns and holiday post strategies over organic and paid posts
- Planned and executed an in-house campaign with Instagram, Twitter, Facebook, and LinkedIn
- Implemented client account guidelines, informing creative teams about customer preferences

### Design Intern | RK Swamy BBDO, Kolkata

July 2018 - March 2019

- Unified brand identities by creating varied campaigns for 6 clients, including 3 print and social media campaigns, 15 pieces of digital art, and cost-effective packaging designs
- Collaborated with senior managers on 2 client pitches and brand activation, planning for and describing a wide scope of experiential marketing across advertising vectors
- Outlined outdated client messaging, generating ideas and unconventional alternatives
- Designed logos with an eye on new audiences and an inclusive message
